

## Vivid Images Car Club of MD.

To whom it may concern,

Vivid Images is one of Maryland's most elite car clubs. The club was founded in April of 2002 and has grown consistently throughout the years. We currently have 23 active members. We pride ourselves on being the most traveled, accepted, organized, and one of the few clubs with both the quantity and quality vehicles. We attend major events, local shows, as well as participate in shows that are exclusive to our club. Some of the major shows we attend are:

- All Carlisle Events
- NOPI
- HIN
- OC Car and Truck/ OC Funk Flex

Vivid Images is privileged to participate in the Motor Trend International Auto Show each year at the Baltimore Convention Center. We have many exclusive displays where millions of spectators learn about our club and our rides. We also host our very own annual car show, The Compact Tuner Jam Show Series. Our show has been successful each year and continues to grow along with our club. Over the past two shows seasons our club has begun to get more media attention than ever. We have been honored to participate in an annual holiday parade, have been featured many times in the Baltimore Examiner, interview and posted in the Washington Post, as well as many magazine features.

Vivid Images is more than a club and more like a family. We have a very diverse club with members of different ethnic backgrounds, automotive backgrounds, and they come from all over Maryland to be apart of our club. We have set rules and regulations that were created to help keep our members happy and our club organized. Our team not only supports the car show world, we do anything to give back to the community. Each year we have a team of 10 members and we support the Polar Bear Plunge, raising money to benefit the Special Olympics of MD.

Our club has been around for 6 years now and we want to take it the next level. We are looking for major well known companies to sponsor our car club. We have the dedication and vehicles to promote your business each and every car show season. If sponsored we have the ability to display marketing material to promote your company at local and national events. Our website is also a major source of publicity since it is updated regularly and receives approximately 40,000 hits a month. Throughout the year we pass out thousands of postcards used to promote ourselves and our sponsors. Please take a minute and look over our website [www.teamvi.net](http://www.teamvi.net) and take a look at our cars. Some are highly modified and some are coming up the ranks and with your help in sponsoring our car club, we can achieve our goals of providing the highest quality cars to show each year.

If you are interested in sponsoring our club, please contact us at the information below.

Thank you,  
Vivid Images Car Club (Marketing)
